- **Lasers, spy and eavesdropping devices.**
- **Sites,forums,electronic services, e-mails, and selling memberships and programs.**
- **Selling any merchandise for free.**
An example is e-mails, Twitter and Instagram accounts, and others.

- **Goods that infringe on intellectual property rights, for example, copied programs and copied films.**
- **Tobacco products**
- **Advertise products or services that require a license without obtaining a license from the organizer.**
- **Prohibited devices such as: jamming devices, encryption, or mobile signal booster.**
- **Devices with security risks.**

- **Advertise calling cards or telecommunications services without obtaining the necessary licenses**

The following list contains most of the methods and methods of banned advertisements on the site:

- **All ads that are not related to buying and selling.**
- **Bring up topics in the app.**
- **Advertising for the sake of adding a suggestion or discussing a problem with the administration in the application.**

- **The ads are intended for sale and purchase only.**
- **Adding advertisements for suggestions for developing the application in the exhibits harms advertisers 'ads in the application.**
- **The best way to suggest or complain is to contact us via a form call us**
- **Incomplete advertisement details.**
- **Poor quality advertisement.**
- **The advertiser's poor communication with members interested in the displayed commodity, for example,**

an advertiser announcing the sale of an animal and then not responding to communications or responding to private messages.

- Add an advertisement and you have another banned membership. You must first discuss the ban with us before adding any new ads.**
- Add an image that is not for the same commodity.**
- Adding pictures of an item other than what is shown.**
- Any advertisement containing a reference to any racist matter in all its forms.**

- **Any advertisement that contains wrong information, whether the error was intentional or not.**
- **Adding an advertisement for the purpose of defamation. If you have a complaint against our advertiser, please write to us and explain the problem. If you have a problem with a party that we have nothing to do with, please complain to the party responsible for that.**
- **Add an ad headline that contradicts the ad content.**
- **Copying an advertisement for another advertiser or part of it.**

- **Donation announcements and assistance requests. The state system prohibits donation and charitable work outside the specific legal scope allocated for this.**
- **Announcements for contributions and subscriptions.**
- **begging and helping beggars. We are banning members who help beggars on our site.**
- **The request for mediation and aid, whether legitimate or illegitimate. The site is for goods only**
